What is important for you when you go out for food or a drink? What are you looking for from the place you choose?

Why do you want to work for Kentish Town Stores?

Thinking about all of your experience to date (work/education/personal), what is the most valuable contribution you can make to Kentish Town Stores?

Would you consider yourself a good team player, and if so why?

Tell me something I don't know to ask. Maybe a bit about the last film you saw, a book you read or an exhibition you went to. Or something completely different.
